

Last October 4th , the Metropolitan Pantheon inaugurated and blessed its two new wake rooms called 'Samaritans 1 & 2'.

During the wake rooms´ blessing given by father Michell Charbouneau Cemeteries Chaplain, the Junta de Beneficencia Director Eng. Ernesto Noboa, Eng. José Luis Salazar both Cemetery Directors and representatives of funeral companies gathered to appreciate services given by the Metropolitan Pantheon as well as the beauty of this Cemetery surrounded by a natural environment.

We are always thinking of extending a quality, dignified service for people of scarce resources, and these wake rooms are the most economical alternative for people who live in those sectors however with the same quality, safety and attention which characterizes the Junta de Beneficencia services”, pointed out Eng. José Luis Salazar, Cemetery Inspector.

The Metropolitan Pantheon is the New Junta de Beneficencia de Guayaquil Cemetery. Its architectural concept is based on harmony with the environment which makes it the modern, ecological cemetery of Guayaquil. It is located on the perimetral speedway, Km 8.5 and the road to the coast. Visit www.panteonmetropolitano.com.
